

Safe – Happy - Learning

Spring Term

A message about Year 2

Welcome back! We hope you all had a restful and exciting Christmas and are ready for an exciting half term ahead!

- In maths we will be exploring money including pence, coins and notes. We will be adding different amounts of money to find a total and we will also be calculating change. We will then be looking at multiplication and division including the 2s, 5s and 10s times tables. We will be learning how to create an array to help us multiply and we will also be doubling and halving.
- In English we will be reading a range of different poems. We will then be writing and performing our own.
- We will be reading the book 'Coming to England' and making a prediction about what we think the book may be about. We will also be continuing to practise our fluency skills.
- Our IPC topic will be 'Buildings'. We will be exploring the differences between buildings in the past to now and we will also research the history of buildings in our local area. We will be looking at the importance of a strong structure and we will use this knowledge to design and create our own bridges.
- For our trip this term we are hoping to go on a local walk to look at a range of different buildings in our local area (please see below).

Homework

Homework books will be sent out every Wednesday. Please complete one activity from the sheet per week.

Please ensure homework book come back in every Monday for the teachers to see.

Reading – **please ensure you are reading with your child every day and recording this in their reading record. Children will receive dojo points if they read 3 times in a week.**

Spellings – these will be sent out each half term in your child's homework book. Spelling tests will take place each Friday.
